

University of Minnesota Duluth -Recreational Sports Outdoor Program

Earth Day Color and Cloth

Thursday, April 24, 2008 4-7pm

There is no better way to help protect our earth than creating something that can be reused over and over again. How about a bag that you can take with you to the store instead of using those plastic or paper bags.

HERE'S WHAT TO EXPECT:

We like to support our Mother and what better way to do that than to go green! Make your own reusable grocery/shopping bag so that all those plastic ones don't get thrown away. We will teach you how to create your own grocery bag by sewing it together and you can make it your own creation by using some organic dyes to spice it up. Mother Nature is creative and you can be too!

WHERE:

Meet in Sports and Health Center room 191

WHAT TO BRING:

- Yourself!

WHAT THE OUTDOOR PROGRAM PROVIDES:

- Quality instruction
- Materials: cloth, thread,...
- Sewing machines

COST:

\$4 UMD Students/ \$6 Others

Register By: Noon, April 23rd

GOALS:

- To make a reusable grocery/shopping bag
- Have fun
