

## University of Minnesota Duluth - Outdoor Program

# Camp Baking

Tuesday May 4, 2010 4-6pm

Come and learn what it takes to be an effective baker while on the trail. Pizza, breads, even pies are all a possibility.

### HERE'S WHAT TO EXPECT:

A crackling fire, a warm cookie, are you at Grandma's? No you're 20 miles from nowhere, baking, wowing your campmates with delicacies fit for a king. Join us, and bring your sweet tooth. Come and learn the art of baking while on the trail, learn new recipes, and taste test your hard work.

We will use reflector ovens, dutch ovens, and some of the other, more obscure baking methods.
