Sew Your Own Camp Chair

Wednesday March 3, 2010

6-9pm

Are you tired of sitting on the hard ground when you are camping?
Want something small and portable to use to take a long break at the end of the day?
Then check this out! These camp chairs are made of fabric, foam cushion, and metal stays to provide support

HERE'S WHAT TO EXPECT:

We'll work with sewing machines, tools and fabric to create a chair that you can take with you. We'll start with skills on how to use a sewing machine and the best way to work with fabric. From there, we'll lay out a design, cut it, and work on putting all of the pieces together.

WHERE:

Sports and Health Center Room 9

WHAT TO BRING:

A sewing Machine (if you have one)
