

Spinner Making Workshop

Tuesday April 6, 2010 6-8:30pm

Get ready for fishing opener by learning the skills to make your own spinners. You will get to make-and-take at least 3 different types while learning what works best.

HERE'S WHAT TO EXPECT:

Join Larry and Ralph Ehresman, custom tackle makers and owners of L.D.E. Tackle, as they teach you the skills to make your own tackle. Spinners, the topic of this session, will help prepare you for the coming fishing season. We will make snelled spinners, wire spinners, and an original LDE Tackle Spin Jig that you can take home with you and use on your next fishing trip.

WHERE:

Meet in the room 119 of the Sports and Health Center.
