Freshmen Outdoor Trip: Fishing the Boundary Waters Canoe Area

The Boundary Waters Canoe Area Wilderness is an extensive area of waterways with campsites and portages that will be the focus of our fishing excursions. We will camp along the shores and try our hand at catching the various fish that can be found in these beautiful lakes.

HERE'S WHAT TO EXPECT:

We will begin our journey by travelling as a group up the Gunflint Trail to East Bearskin Lake where we will learn how to pack a Duluth Pack and paddle a canoe (if you already have these skills, great!). The group will then get into the wilderness and use the lakes and portage trails to find spots where maybe the walleyes are "stacked up like cordwood".

WHEN:

Monday, August 29 – Thursday, September 1, 2011
Pre-trip meeting Sunday, August 28th 5p.m.

WHERE:

FUN INFORMATION ABOUT CANOEING IN THE BOUNDARY WATERS:

- The Boundary Waters Canoe Area is a designated Wilderness. This means we travel and camp in a way that attempts to “leave no trace”. Everything we bring in, we bring out with us, including garbage.
- Portaging is carrying your equipment from one lake to another on trails that have been around for hundreds of years. Some people love the break from paddling.
- We will get our water from lakes using water filters to remove possible bacteria.
- This is northern Minnesota, so moose, bear, and wolf sign are definitely possible.
- The forests along the way have seen many changes through the years, from forest fires and logging to planting and re-growth of pines, aspen, birch, and maple.
- We eat well on these trips with meals ranging from Mexican night to Italian spaghetti. Hopefully, we'll have a fish dinner!
