

First Year Trip: Sea Kayaking the Apostle Islands

The Apostle Islands are a beautiful series of islands that spread out into Lake Superior at the northern end of Wisconsin. In your sea kayak, you can explore secluded beaches, sea caves, cliffs and old growth forests with newfound friends.

HERE'S WHAT TO EXPECT:

We will begin our journey learning the skills of kayaking on St. Louis Bay in Duluth, then go to the Apostle Islands National Lakeshore to practice those skills while learning more about Lake Superior, each other, the Lake, and life at UMD.

Everyone will be involved with paddling, camp set-up, cooking, cleaning, and hiking.

WHEN:

Monday, August 29 – Thursday, September 1, 2011
Pre-trip meeting Sunday, August 28th 5p.m.

WHERE:

We will be departing from the main entrance to Lake Superior Hall at **9am on August 29**.

PREPARATION:

- *Equipment* – attached is an equipment list that includes what we provide and what you need to obtain. **Follow this closely**, it is based upon extensive experience. Plan on weather that could range from the low 70's to the 40's and windy.
- *Schedule* – attached is an itinerary of what we will be doing.
- *Housing* – if you have an on-campus housing assignment you will be eligible to check in on Sunday, August 28 between 11am and 4pm and stay on campus the night before the trip. *Call the Housing Office at (218)726-8178 if you have any questions.* Bring your Housing Assignment letter.
- *Health & Liability Form* – complete these forms and return them within one week.

THE OUTDOOR PROGRAM PROVIDES:

We provide all group gear, food, quality paddling equipment, transportation, and expert instruction.

GOALS:

- Have Fun

6pm – Barbeque and campfire at the top of Rock Hill. Share your stories with other trip participants. WELCOME TO UMD.

FUN INFORMATION ABOUT KAYAKING WITH THE OUTDOOR PROGRAM IN THE APOSTLES:

- There are 22 islands in the Apostles Islands
- Numerous sunken ships dot the region. We will paddle over the Fedora and the Ottawa.
- Kayaks are great boats to use on Lake Superior because they are very sea-worthy and water tight.
- Some of the Apostle Islands have old growth forests, while others have been farmed or have had sandstone quarries.
- The water in some of the sheltered bays can get fairly warm, even up to 65 degrees.
- We eat well on these trips with meals ranging from stir-fry to Mexican night. There will always be a vegetarian option.
